

# **COVID-19**

## **Updates and Resources**

**LET ME CLARIFY!!!**

**COVID VACCINE**

**2.5.2021**

**DR AMY SLAGLE, MD**

**VACCINATING THOSE IN EDUCATION**

**MTC IS CURRENTLY VACCINATING:**

- All employees of Menominee Tribal School
- All employees of Menominee Indian School District
- All employees of College of Menominee Nation
- All employees of Menominee Early Childhood Services

**(MTC is calling and schedule the above-listed persons as lists are provided. )**

**MTC IS ALSO VACCINATING:**

# COVID-19

## Updates and Resources

- **Menominee members and descendants who work in educational settings outside the exterior boundaries of the Menominee reservation.  
MTC does not have lists of these persons.**
- **If you fall in this group, please call 715-799-5430, identify yourself, date of birth, and place of employment. Appointment for vaccine will be made.**
- **Please be aware Education is a large group of people and we expect it to take 2-3 more weeks to finish vaccinating this group**

**I apologize for the confusion. Yesterday's message was intended to notify Menominee in Education not working on the reservation they are eligible for vaccination, IN ADDITION to all employees of CMN, MISD, ECS, and MTS who we are already scheduling.**
