EQUAL EMPLOYMENT OPPORTUNITY STATEMENT

The Oneida Nation does not discriminate on the basis of race, color, national origin, sex, religion, age or disability status in employment or the provision of services. However, individuals of Indian ancestry and Veterans will be given preference by law in initial employment or re-employment.

POSITION SUMMARY

Manage telephone inquiries concerning behavior health services; provide clinical screening of potential adult patients. And initiate discharge planning. Continuation of this position is contingent upon funding allocations.

DUTIES AND RESPONSIBILITIES:

1. Supervise Triage Counselors, Social Workers and Psychiatric RN which includes hiring, firing, evaluating, training, work allocation, problem resolution and coordinating back-up help for staff as needed.
2. Obtain basic information about patients from client or third-party reference. Determine eligibility for service based on screening criteria.
3. Follow the Clinical Withdrawal Assessment for Alcohol procedures for intake assessments.
4. Provide follow-up of 24-hour delivery of Intakes. Directly observe intakes, review records and reports and ensure effective and timely delivery of care.
5. Document clinical impressions and recommendations which facilitates formal assignment of client to Therapist, Clinical Substance Abuse Counselor or Psychiatric provider for patients
6. Determine acuity of patient/client needs; provide and or arrange for therapeutic interventions as appropriate for patients or clients in a crisis condition
7. Maintain records which consider the individual strengths, needs and preferences of patients served.
8. Collaborate with the Oneida Community Health Center Nursing Department to facilitate efficient transitions of patients/clients.
9. Report potential or actual patient safety concerns, medical errors and or near misses in a timely manner
10. Participate in on-going interdepartmental assessment; implement new ideas and concepts to improve systems and processes.
11. Audit intake records to monitor compliance and standards of care.
12. Develop and implement policies and procedures to meet Federal, State and local compliance regulations to include compliance for Medicare, Medicaid and third-party payer contract requirements.
13. Ensure information is communicated effectively internally, as well as externally to patients, families and referral sources.
14. Track referrals to and from outside agencies.
