Position Summary: The S. Verna Fowler Academic / Menominee Public Library subscribes to the philosophy that every child is entitled to a free, readily accessible and specialized program of library services. The aim of the public library service is to introduce children to the love of reading and literature, to develop capable users of information and technology, and to encourage each child's development to his or her fullest potential. The primary responsibility of this position is the coordination and implementation of library services for pre-school, elementary, and young adult library users. The Youth Services Librarian will have full supervision of the Children's area and maintain a quiet, safe, productive, and attractive environment. This position involves working directly with children and their parents or caregivers. This position works until the library closes.

Position Responsibilities & Duties:

- Responsible for creating event flyers and promotional materials for youth programs and working in conjunction with library staff on collaborative programs.
- Provides a wide and diverse variety of electronic resources, audiovisual materials, print materials, and other resource materials to best serve the needs of children and their caregivers.
- Applies criteria for evaluating the content and artistic merit of children's materials in all genres and formats.
- Maintains a diverse collection for children and young adults, paying attention to the needs of parents, caregivers, and children.
- Responsible for order and appearance of children's collection. Maintains a colorful and stimulating environment creating and updating display areas whenever possible. Monitors the conditions of the children's service area and the security of the children's collection and area.
- Plans, organizes, and supervises programs for children of all ages including school year and summer reading programs in order to encourage reading, viewing, and listening of library materials and help create lifelong library users; provides library service to the elementary schools and community through programs such as class visits, summer reading events, storytelling programs for pre-school children, book talks for students, etc.
- Facilitates Library's Maker Space, ordering supplies, creating and implementing STEAM programming and technology-based experiences for library patrons.
- Seeks collaborations for strong community engagements with schools, tribal agencies and other community organizations to provide programs, outreach and initiatives that address the needs and interests of the community.
- Identifies and utilizes skilled resources people to present programs and information as both in person activities and virtually via zoom and using live platforms.
- Communicates with the Library Director regarding a variety of issues including
 - -Budgeting for the collections, services, and programs of the Children's Department
 - -Statistics for youth events
 - -Grant funded initiatives

- Assists patrons in using the online catalog and other electronic tools and resources; assists and instructs patrons in using library services, equipment, and facilities
- Must be able to work until the library closes
- Other duties as assigned.

Minimum Qualifications-To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- A bachelors degree (in education preferred) from an accredited college or university
- Two years' experience working with youth
- Experience with family or youth programming
- Must have a reliable vehicle with liability insurance
- Must possess a valid Wisconsin driver's license
- Must pass a background check

Desired Qualification:

- Experience in a library setting
- Ability to work independently, collaboratively, and effectively with faculty, students, staff, children, parents, caregivers, and educators
- Excellent communication skills both written and verbal
- Computer skills - must know Microsoft office suite, Google applications, Zoom
- Good work history
