

Education

The survey included four questions related to education. The responses are summarized below:

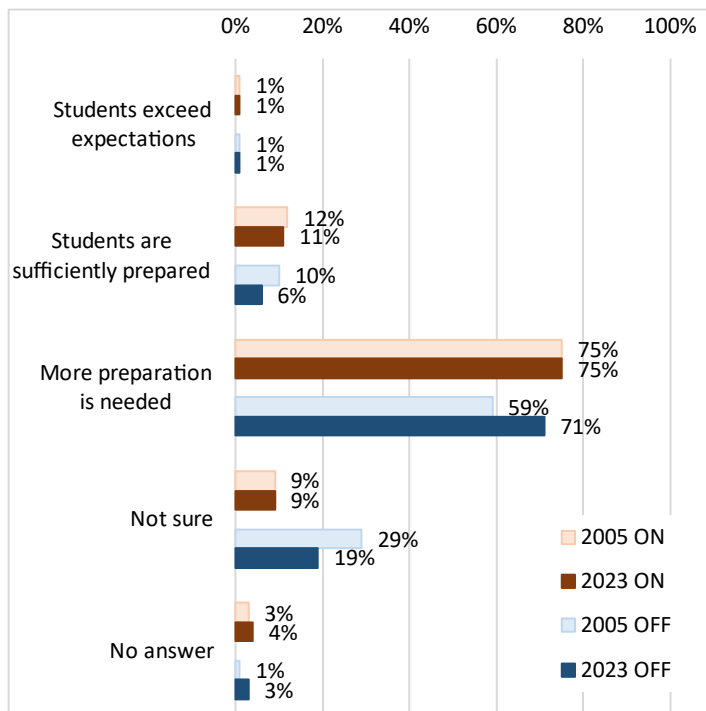

Q35: In your opinion, how well does the Menominee school district prepare students to succeed in the K-12 school system?

Q37: To what extent do you believe the Menominee culture is taught in the K-12 educational system on the Reservation?

Q36: How prepared do you believe Menominee students are to succeed in work and school beyond the 12th grade?

Q38: How adequate is the availability of financial assistance for education to members of the Menominee Nation?
